From the Pastor

Greetings in the name of our resurrected Jesus Christ!

It had been quite a long time through the last 15 months when we haven't been able to worship in our building. We have resumed in person worship on May 30. It is such a joy when we come to worship together as a community of faith in sanctuary! We will continue to worship with caution, keeping to the guidelines. Here are instructions to follow:

When you enter the church building, ushers will welcome you and check your temperature. After that, you should sanitize your hands and put your offering in the plate. You follow signs when you come in and when you leave. You can sit in the designated pews that maintain 6 feet social distance. You are asked to wear masks inside the church building. Our sanctuary is disinfected before and after the worship service. There is no fellowship or any food after the service. These efforts will continue as we feel safe. We will also be having the worship service on Facebook Live.

During the pandemic, we've realized how crucial it is that we gather together to worship God, to sing hymns, to pray, and to hug each other. We've missed the privilege to worship in our sanctuary where we feel a special connection with God and each other. Now we are getting close to being back to normal life. Let us keep up the good work for the glory of God!

In Christ,
Pastor Sang
