## *From the Pastor*

Summer comes to a close whereas fall is coming! There are signs that fall is on its way: The leaves of the trees slowly change their colors. The air begins to feel a little different. Temperatures begin to drop. Morning dew begins to appear. The grass in the yard grows slowly compared to summer. These signs affirm that fall is a time of change. Having lived in the Chicago area for 17 years, I would say that fall is a time of preparation for Chicago's winter with Daylight Saving Time ending. Before daylight ends too early, I want to take a walk in nature or around the neighborhood.

There are three reasons I walk:

1) It helps me center on God. My spiritual life deepens because when I walk, I pray, too. It is a precious time to be with God.

2) It benefits my health. I have a Fitbit that counts my steps. My aim is 7,000 steps every day. Sometimes I feel stuck with the device to achieve the goal I set, but I enjoy walking.

3) It releases my stress. A walk helps me clear my mind and heart. While walking, I feel free.

Because of these three reasons, taking a walk is a crucial routine and spiritual practice in my daily life.

There is a great opportunity to help others in need by our walk on Sunday, October 3<sup>rd</sup>: Crop Walk. Please contact Tracey and Brady Warren or the church office if you are interested in joining the walk or have any questions. We also continue to walk on our spiritual journey through the Pastor's Bible Study until October 22: *Nature-Our First Way of Knowing God*. It helps us connect nature and spirituality. We will send you a link if you let the church office know that you want to participate in the study. October 17 will be Laity Sunday when worship is led by all laity. Trunk & Treat will on October 31 from 11:30 am to 1 pm. All children and families are welcome.

The Bible refers to walking more than 200 times. Why? Walking parallels the journey of faith. As Micah 6:8 in the Old Testament says, "Walk humbly with God," our faith life is to walk with God. We continue to ask ourselves the question: How is our walk with Jesus? This is a similar question to one that John Wesley asked: "How is it with your Soul?" This fall, when we closely walk with God, our soul will be well.
