From the Pastor

So we, who are many, are one body in Christ, and individually members one of another.

Romans 12:5

I can't believe that July is over! To be honest I am not a fan of the heat. Don't hold me to this, but I'm pretty sure that in heaven it's always an even 72 degrees. But I am still sad to see that we are about halfway through the summer. Because the summer provides so many additional opportunities to connect with others. Through walks in the neighborhood, barbeques, concerts, parades and festivals, the summer weather gives us an opportunity to be outside and connect with those in the public that we may not normally see.

And I am glad to see that this August we have some wonderful opportunities to meet our neighbors. The Corn Festival and Shriners Parade give us a unique opportunity to make our presence known in the community. And of course, our weekly food pantry gives us not only an opportunity to serve, but to also get to know those who live among us.

So far, I am truly enjoying the opportunity to connect with all of you. Your love and desire to make the world a better place has already become clear in my short time here. I know due to summer travel there are some of you that I have yet to meet, but I look forward to it as the opportunity arises. If you haven't already and are interested, please sign up for a meet and greet so that we can get to know one another better.

In Romans, the Apostle Paul reminds us that we are one body in Christ and due to that belong to one another. So I look forward for the opportunities to get to know you all more and work with you to grow this wonderful church family. For now, as the weather continues to allow, take time to enjoy God's creation and every opportunity to connect with one another and those who we have yet to meet.

Yours in Christ,

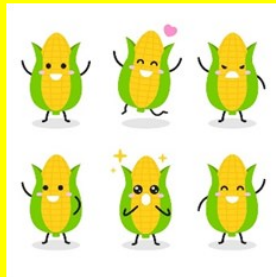

Ashish
